

# MISSOURI COORDINATED SCHOOL HEALTH COALITION

**JULY 2021**

## 2021 MCSHC CONFERENCE

Yes, we plan to be back in-person for this year's Conference. Mark your calendars for December 2 – Pre-Conference and December 3<sup>rd</sup> and 4<sup>th</sup> – Conference. The Conference is scheduled at the Holiday Inn, Executive Center, Columbia, Missouri. Hope to see you all there!

The Missouri Coordinated School Health Coalition (MCSHC) is a collaborative of organizations and individuals whose primary responsibility is to assist schools in their student health and wellness initiatives. The coalition does this by promoting the use of the Centers for Disease Control and Prevention's (CDC) Whole School, Community, Child model. This model focuses on improving students' health and their capacity to learn through families, schools, and communities working together. The model consists of ten interactive components that develop and emphasize health-related knowledge, skills, attitudes, and behaviors. Schools work within the family and community structure to ensure optimal health and wellness for children.

**December 2 - 4, 2021**

Holiday Inn, Executive Center  
Columbia, MO

**SAVE THE DATE!!**

Whole School, Whole Community, Whole Child

*“The WSCC model focuses on improving students’ health and their capacity to learn through families, schools, and communities working together.”*

## 2021 MCSHC CONFERENCE OVERVIEW

Your MCSHC Conference committee is currently working on this year's line-up of speakers. For those who would like to be trained to bring the WSCC model to their schools we plan to have a daylong WSCC Training pre-conference session. We also plan to have 2 other pre-conference offerings TBA. We plan to offer the School Health Index (SHI) training, address school health hot topics and

highlight how individual schools have adopted the WSCC model. We are planning a session on school law as it pertains to school nurses, teachers, administrators, and counselors... and so much more!
